

March 2023

Dear Current Students of Nagoya University

## NUCT will be replaced by TACT in April 2023

NUCT (Nagoya University Collaboration and Course Tools), the educational learning support system you are currently using, will be reborn as TACT (Tokai Academic Combination Tools) in April 2023 as a unified system of the Tokai National Higher Education and Research System. The basic operation procedures for students will remain unchanged from NUCT, but please be aware of the following changes associated with the transition to TACT.

- Please read TACT as appropriate when you find the information on NUCT in the procedures and syllabus for FY2023.
- The URL will be changed from NUCT.
- TACT top page: <https://tact.ac.thers.ac.jp/>
- Please refer to TACT Help Center for other information on the transition from NUCT to TACT.
